Has anyone experience in reading scientific papers with e ...

I'm really happy with my iPad for academic paper reading. Yes, elnk is very nice, but today's tablets are good enough for reading as well. Plus, it's a different kind of reading compared to, say, a newspaper. I tend to read academic papers quite quickly to glean the main bits of information. For leisurely reading, paper or Kindle would be better.

New apps give easy mobile access to articles

Reading scientific literature is mandatory for researchers and clinicians. With an overflow of medical and dental journals, it is essential to develop a method to choose and read the right articles. I will outline a logical and orderly approach to reading a scientific manuscript. By breaking down the
