When I grow up I want to be a Lego Master Builder (L.M.B.). They make new sets and share them with

other lego stores. Sometimes they send lego master builders to host birthday parties. They also create lego adventures with topics like one time it was a pod racer and another time it (was) with a star fighter. They ...

When I Grow Up: I want to be a Lego Master Builder | MOM ...

Sean Baxter grew up in the car business, but realized as a freshman in college, when there were no majors for car dealers, that he was drawn to real estate. "Development and Investment interested me the most because of the creativity it allows, and wonderful influence it can have on not only the economic environment, but also the social well-being of communities."

Being a city builder, however, is not a likely choice for students when they start to think about what they want to be when they grow up. When it comes to city building, our school system should teach the next generation of professionals what opportunities they have available to become a part of that process.
